Hi Folks,

Well our part two 50th anniversary Sale was certainly a hit. Actually much better than part one, which had more items but of lower value. Maybe my accountant is right. He has been telling me for years to stop merchandizing coins under \$10, but I have always strongly felt that somebody needs to supply beginners and those with limited hobby pocketbooks.

This list is actually ready early but will purposely go out a week late because we will have limited staff until right after Columbus Day. We will put all in the mail on Friday before so that you will start receiving this Sampler on that Tuesday.

About this Sampler, it is loaded with many nice and difficult items so look carefully because we have accumulated 2-3 times the number of scarce and difficult to find items.

So what's going on around here? Flo has extended her summer vacation because one new house deal fell through and then another. We think it is finally worked out but she will not be back until December or perhaps early January. Our travel schedule has been limited because of my prostate cancer treatments, but that will be done October 17th. Treatment is going well. So we plan to be at the Sarasota Show and Baltimore. Please be advised that during these date store hours will be somewhat disrupted 10/18 to 10/28 and 11/1 to 11/3. There will be staff manning the phones even if we have some temporary closings of the store. So you can call ahead.

The summer here was very busy with good business and best of all 2 granddaughters for 5 weeks of sailing lessons and the other 2 with their mom for the final 2 weeks. Dad, aka Dr Mark was on an incredible trip to exotic places as a concierge physician. Of course our grandson Kieran came over with Rachel and Al for numerous visits too. So it was a great summer.

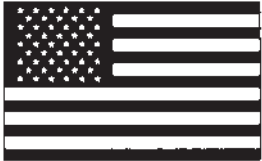

LIST 306, October 2017

Happy Collecting

Harry
